My dear Nitishbaba -

15th September 2011

As I had committed to you in Patna on August 26th, 2011, the Empowered Committee of the PMGSY met on September 14th 2011 and I have approved the following decisions to begin with:

1. The Core network for Bihar has finally been approved, subject only to any reconciliation between the habitation and revenue village population data.
2. Missing bridges (15m and above) on already sanctioned roads (which are part of the core network) will be approved as and when the DPRs are submitted by the State government.
3. Missing bridges (below 15m) on already sanctioned roads (which are part of the core network) will be examined on a case-to-case basis and approval given on merit, when the DPRs are submitted by the State government.
4. In the 7 IAP districts, 807 DPRs for about 2300kms were received on September 12th 2011. A final decision on these DPRs will be taken and communicated to the state government by September 30th 2011.
5. 409 projects (1,827kms worth Rs 935 crore) which were earlier sanctioned to Central agencies (NBCC, NPCC, NHPC) and which were un-awarded have been cancelled. The State government will submit DPRs for these roads after which they will be sanctioned.

Warm personal
With regards,

Shri Nitish Kumar
Chief Minister
Government of Bihar

Yours sincerely,
Jairam Ramesh
(Jairam Ramesh)
