D.O. No. P-17021/13/2010-RC

5th September, 2011

Dear *Shri Oommen Chandy*

Please refer to your letter dated 1st August, 2011 regarding sanctioning more projects and funds under PMGSY to Kerala.

2. The proposal of the State for sanctioning an additional amount of Rs.66.89 crores, on the basis of SoR 2010 was also examined in the light of provisions under PMGSY Guidelines. However, the same is not admissible as per provisions of the programme guidelines as all costs due to time overrun etc should be borne by the State Government.

3. As regards, issues relating to inclusion of cost of shifting of the three utilities viz. telephone, electricity and piped water supply and for allowing tender premium under PMGSY, it is to state that there are no provisions under the scheme for such components.

4. PMGSY emphasizes to provide all-weather access to eligible unconnected habitations in rural areas of the country. At present, only the project proposals covered under the categories mentioned in this Ministry's Advisory No. H.-12013/1/2009-RC dated 12/6/2009 are being considered for clearance under PMGSY. It is requested that project proposals covered under the categories listed in the Advisory may be sent to this Ministry for consideration as per PMGSY Programme Guidelines.

With regards,

Yours sincerely,
Jairam Ramesh
