*My dear Naveenkumar -*

In keeping with a commitment I had made to you when we had met on August 14<sup>th</sup>, 2011, I am now happy to inform you that in a meeting held of the National Rural Roads Development Agency (NRRDA) under my Chairmanship on 24<sup>th</sup> August 2011, the following decisions related to implementation of PMGSY in Orissa were taken:

1. It was decided to have works ongoing worth Rs.2,500 crore in the Integrated Action Plan (IAP) Districts in Orissa. The Department of Rural Development, Government of Orissa will have to send the Detailed Project Reports so that presently ongoing works and works proposed in the IAP districts add upto Rs.2,500 crore. As you are aware one PIU is expected to handle works worth Rs.50 crore. I am sure that the State would depute adequate number of PIUs to carry out these works efficiently maintaining good quality;
2. Also, it was decided that Rs.400 crore worth projects (about 1000 km) under the ADB funding will be sanctioned for the non-IAP districts. The list of roads has to be sent by the Department of Rural Development, Government of Orissa.

*Warm personal*  
With regards,

Yours sincerely,
